Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Foundation has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. In December 2007, the Organization executed a lease for donated facilities with Lotus Endowment Fund, Inc. for a period of fifty years with automatic one year renewals after the initial term for \$1 per year. The lease agreement was amended in August 2010, February 2011, December 2012, April 2013 and December 2013 to add additional facilities. The Organization has recorded a current year in-kind contribution and rent expense of \$148,704 and \$140,976 for the use of the facilities under the lease agreement. This amount approximates the fair market value of rent expense and is a reconciling item between audited financial statements and tax return reporting.

On September 16, 2016 the aforementioned lease for the facility was terminated as to the transfer properties and a new lease was entered into in connection with the new market tax credit financing between Lotus Village Development LLC as lessor and The Sundari Foundation as lessee.
