#### INDEPENDENT AUDITORS' REPORT

To the Board of Directors of The Sundari Foundation, Inc. and Affiliates (D.B.A. The Lotus House Women's Shelter) (a nonprofit organization) Miami. Florida

#### **Report on the Financial Statements**

We have audited the accompanying consolidated financial statements of the Sundari Foundation, Inc. and Affiliates (D.B.A The Lotus House Women's Shelter) (the "Foundation") which comprise the consolidated statements of financial position as of December 31, 2019 and 2018, and the related consolidated statements of activities and changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Foundation's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Foundation as of December 31, 2019 and 2018, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Other Matters**

#### Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 30, 2020 on our consideration of the Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control over financial reporting and compliance.

(a nonprofit organization) NOTES TO CONSOLIDATED FINANCIAL STATEMENTS **DECEMBER 31. 2019 AND 2018** 

#### **NOTE 1 – NATURE OF ACTIVITIES**

The Sundari Foundation, Inc. (D.B.A. The Lotus House Women's Shelter) (the "Foundation") is a 501(c)(3) nonprofit corporation organized under the laws of the State of Florida in June 2004. The Foundation's mission is the education, advancement and social inclusion of poor, disadvantaged, and homeless women and children.

The Foundation operates the Lotus House Women's Shelter as a free, holistic, shelter and resource center, providing housing, meals, counseling, social services referrals and advocacy, educational advancement opportunities, life skills and job readiness training, enrichment activities and support services.

The Foundation's wholly owned subsidiary, Lotus House Thrift LLC, receives in-kind donations from the community which serve the shelter's needs and provides free clothing and furnishings to the women and children served by Lotus House Women's Shelter. Lotus House Thrift also functions as a job readiness training site and work program for the women served by Lotus House Women's Shelter.

The Foundation's wholly owned subsidiary, Lotus Wellness Center, LLC, is a free, "Good Samaritan" health clinic providing women's wellness exams and basic health care screenings for women who are indigent and uninsured, including women of Lotus House and from the surrounding neighborhoods. It is staffed by volunteers.

In 2007, the Lotus Endowment Fund, Inc. (the "Endowment"), a 501(c)(3) non-profit, Type II 509(a)(3), was formed and is operated exclusively to benefit the Foundation and its initiatives, including the Lotus House Women's Shelter. A majority of the board members of the Endowment are also board members of the Foundation however they do not constitute the majority of the Foundation's board; therefore, the Foundation does not control the Endowment.

The original facilities occupied by Lotus House Women's Shelter in Overtown, Miami, were redeveloped by Lotus Village Development, LLC, a subsidiary of Lotus Endowment Fund, Inc., from late 2016 through 2017, during which time Lotus House Women's Shelter occupied substitute facilities consisting of rental apartment buildings nearby. In late December 2017, Lotus Village Development completed construction of a new 100,000+ square foot mixed-use project including 140 shelter units, supportive service and programming space, a children's wellness center and neighborhood health clinic. Lotus House Women's Shelter took occupancy of the new state of the art, comprehensive homeless services facility, named Lotus Village, pursuant to a long term, master lease from Lotus Village Development, LLC in late 2017. Subsequent to that date, Lotus House Women's Shelter subleased the neighborhood health clinic to Jessie Trice Community Health System and licensed the childcare center to United Way Center for Excellence in Early Education.

In 2015, the Lotus Supporting Foundation, Inc. (the "Supporting Foundation"), a 501(c)(3) non-profit, Type II 509(a)(3), was formed and is operated exclusively to benefit the Foundation and its initiatives, including the Lotus House Women's Shelter. A majority of the board members of the Supporting Foundation are also board members of the Foundation however they do not constitute the majority of the Foundation's board; therefore the Foundation does not control the Supporting Foundation. The Supporting Foundation assisted in the financing needed for the redevelopment of the Lotus Village project.

The Foundation, Lotus House Thrift LLC, and Lotus Wellness Center, LLC will be collectively referred to as the Foundation in the consolidated financial statements.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. Basis of Accounting

The consolidated financial statements of the Foundation have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). Using this method, revenues are recognized when earned and expenses are recognized when incurred.

(a nonprofit organization) NOTES TO CONSOLIDATED FINANCIAL STATEMENTS **DECEMBER 31. 2019 AND 2018** 

#### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### B. Financial Statement Presentation

The consolidated financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 (as amended by ASU 2016-14, Not-For-Profit Entities) dated August 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) Audit and Accounting Guide for Not-for-Profit Organizations (the "Guide"). (ASC) 958-205, as amended, was effective January 1, 2018.

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions as follows:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Foundation. The Foundation's board may designate assets without restrictions for specific operational purposes from time to time.

Net assets with donor restrictions - Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Foundation or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

All net assets consist of net assets without donor restrictions at December 31, 2019 and 2018.

#### C. Principles of Consolidation

Generally accepted accounting principles require the Foundation to consolidate entities in which it has control and an economic interest when that control is evidenced through a majority ownership or voting interest. The Sundari Foundation, Inc., has an economic interest and control of the board of The Lotus House Thrift, LLC, and The Lotus Wellness Center, LLC and therefore consolidation is required. All material intra-organizational accounts and transactions have been eliminated in the accompanying consolidated financial statements.

For purposes of the statement of financial position and statement of cash flows, cash consists of cash and other highly liquid resources.

#### E. Accounts Receivable

Accounts receivable is stated at the amount management expects to collect from outstanding balances. Management believes that all receivables, are collectible within one year, therefore, the Foundation has not included a provision for uncollectible accounts. Any accounts deemed uncollectible will be charged to expense when the determination is made. There were no uncollectible accounts during the years ended December 31, 2019 and 2018.

#### F. Contributions

Contributions and gifts received with no restrictions or specified uses identified by the donor are included in revenue without donor restrictions in the statement of activities when notification is received. Contributions received with donor stipulations that limit the use of donated assets are reported as revenue with donor restrictions in the statement of activities when notification is received.

#### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### F. Contributions (Continued)

When donor restrictions expire or are fulfilled by actions of the Foundation, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

#### G. Furniture, Equipment and Leasehold Improvements

The Foundation capitalizes all expenditures for furniture, equipment and leasehold improvements in excess of \$500 at cost. Contributed furniture and equipment is recorded at fair value at the date of donation. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of furniture and equipment are recorded as unrestricted support.

Furniture, equipment, and leasehold improvements of the Foundation are depreciated using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Leasehold improvements	5-10
Vehicles	5
Furniture and equipment	3-10

Repairs and maintenance are expensed as incurred. Improvements which increase the life of the assets are capitalized. The carrying amount of assets sold is retired and the related accumulated depreciation is eliminated in the year of disposal and the resulting gain or loss is credited or charged to operations.

#### H. Donated Goods and Services

Contributions of donated noncash assets are recorded at their fair values in the period received.

Donated services consist of the estimated value of contributed services. The amount of donated services includes support provided by volunteers and professionals.

#### **Functional Allocation of Expenses**

The costs of providing the program activities have been summarized on a functional basis in the consolidated statements of activities and changes in net assets. Accordingly, certain costs have been allocated among the program and supporting services benefited.

#### J. Income Taxes

The Foundation is tax-exempt under Section 501(c) (3) of the Internal Revenue Code and is subject to a tax on income from any unrelated business. The Foundation did not have any unrelated business income for the years ended December 31, 2019 and 2018.

The Foundation adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles, with no cumulative effect adjustment required. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Foundation has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Foundation believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Foundation's financial condition, results of operations or cash flows. Accordingly, the Foundation has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at December 31, 2019 or 2018.

(a nonprofit organization)

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS **DECEMBER 31. 2019 AND 2018** 

#### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### J. Income Taxes (Continued)

The Foundation is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Foundation believes it is no longer subject to income tax examinations for years prior to 2016. The Foundation's policy is to classify income tax related interest and penalties in interest expense and other expenses, respectively.

#### K. Use of Estimates

The preparation of consolidated financial statements and related disclosures are prepared in conformity with accounting principles generally accepted in the United States of America. Management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and revenue and expenses during the period reported. These estimates include assessing the collectability of receivables, and the useful lives and impairment of tangible assets. Estimates and assumptions are reviewed periodically and the effects of revisions are reflected in the financial statement in the period they are determined to be necessary. Although these estimates are based on management's knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results.

#### **NOTE 3 – LIQUIDITY AND AVAILABILITY**

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date at December 31, 2019 and 2018, comprise the following:

	<u>2</u>	<u>019</u>		<u>2018</u>
Cash and cash equivalents	\$ 3,8	885,231	\$	1,688,121
Accounts receivable	1,4	401,952		1,658,841
Due from affiliate		15,797		207,593
	\$ 5,	302,980	\$	3,554,555
			_	

The Foundation's goal is generally to manage it's liquidity by developing and adopting annual operating budgets that provide sufficient funds for general expenditures, liabilities, and other obligations as they come due.

#### **NOTE 4 – CONCENTRATION OF CREDIT RISK**

#### Credit Risk

The Foundation maintains its cash balances in a financial institution. The balances at the financial institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At December 31, 2019 and 2018, there was an uninsured cash balances of \$3,004,380 and \$880,855, respectively. The Foundation believes that the risk of loss with respect to financial institutions has been reduced by choosing strong institutions with which to do business.

#### NOTE 5 - ACCOUNTS RECEIVABLE

The breakdown of accounts receivable which are all due in less than one (1) year as of December 31, 2019 and 2018 is as follows:

	<u>2019</u>	<u>2018</u>
Others	\$ 500	\$ 530
Grants	 1,401,452	 1,658,311

#### NOTE 6 – FURNITURE, EQUIPMENT AND LEASEHOLD IMPROVEMENTS

Furniture, equipment and leasehold improvements at December 31, 2019 and 2018:

	<u>2019</u>	<u>2018</u>
Buildings	\$ 95,000	\$ -
Vehicles	294,386	144,513
Furniture and equipment	 488,559	 272,431
	782,945	416,944
Less: Accumulated Depreciation	 (184,580)	 (124,720)
	\$ 598,365	\$ 292,224

Depreciation expense for the years ended December 31, 2019 and 2018 was \$59,860 and \$21,389, respectively.

#### **NOTE 7 - CONTINGENCIES**

The Foundation received certain grants revenues, which require compliance with certain provisions stated in the instrument of the grant. Failure to comply with these provisions could result in a request for the return of funds to the grantor. Although, this is a possibility, the Foundation's management deems the contingency remote since, in their opinion, the Foundation has fully complied with the provisions of the grants.

#### **NOTE 8 – IN-KIND DONATIONS**

The Foundation records various types of in-kind support, including services, furniture, clothes, supplies and other tangible assets. GAAP requires recognition of professional services received if those services (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. During 2019 and 2018, \$2,203,955 and \$2,037,924 were recognized, respectively.

Contributions of tangible assets are recognized at fair value when received. The amounts reflected in the accompanying financial statements as in-kind support are offset by like amounts included in expenses or assets.

#### **NOTE 9 – DONATED FACILITIES**

In December 2007, the Foundation executed a lease for donated facilities with Lotus Endowment Fund, Inc. (the "Endowment") for a period of fifty (50) years with automatic one-year renewals after the initial term for \$1 per year. The lease agreement was amended on August 2010, February 2011, December 2012, April 2013, December 2013, December 2015 and January 2016 to add additional facilities. In September 2016, the Endowment transferred land to Lotus Village Development which consisted of eleven parcels of property now bearing the consolidated address of 217 NW 15th Street, Miami FL. for the purpose of developing the construction and development of comprehensive homeless services facility together with health clinic and the childcare center. Upon removal of the eleven parcels of land for the redevelopment, two properties remained under the original lease for use by the Foundation: 2040 NW 7th Avenue and 420 NW 35th Street ("Remaining Properties").

Under the terms of the original lease for the Remaining Properties, the Foundation is responsible for the payment of all real estate taxes, insurance, utilities and repairs and maintenance of the facilities. The facilities must be used solely and exclusively for the establishment and continuous operation of a non-profit, gender specific, free housing for homeless and formerly homeless women, d/b/a The Lotus House and/or Lotus House Women's Shelter, by the Foundation, and for no other use or purpose. If the facilities are used for any other purpose, the lease will automatically terminate. The lease agreement may be terminated by the Foundation by providing 60day notice to the Endowment. The Endowment may terminate the lease if the Foundation violates the terms of the lease more specifically the permitted use of the facilities described in the lease agreement. It is due to these

provisions that the lease is considered an annual donation to the Foundation and not a long-term promise to give. On September 16, 2016 the aforementioned lease for the facility was terminated as to the transfer properties and a new lease was entered into in connection with the new market tax credit financing between Lotus Village Development LLC as lessor and Sundari Foundation as lessee.

In connection with the transfer on September 23, 2016, by Lotus Endowment to its subsidiary, Lotus Village Development, LLC, of the eleven parcels of property, now bearing the consolidated address of 217 NW 15th Street, Miami, Florida for redevelopment, Lotus Village Development, LLC entered into a new lease with the Foundation for the property to use and operate the same as a comprehensive homeless services facility, including a homeless shelter with amenities, health clinic and childcare center. The new lease commenced September 16, 2016 and expires December 1, 2045, subject to renewal. Rent commences the later of occupancy of the new facilities or June 1, 2018.

The Foundation is required to pay annual basic rent in the following guarterly installment amounts: (i) \$49,000 on June 1, 2018 (or such lesser prorated applicable quarterly amount if the Occupancy Date occurs after February 28, 2018) and each Due Date thereafter through December 1, 2022; (ii) \$60,000 on March 1, 2023 and each Due Date thereafter through December 1, 2023; (iii) \$98,500 on March 1, 2024 and each Due Date thereafter through December 1, 2025; (iv) \$157,000 on March 1, 2026 and each Due Date thereafter through December 1, 2026; and (v) \$332,000 on March 1, 2017 and each Due Date thereafter until the end of the Lease; in addition to utilities, taxes, insurance and other operating costs.

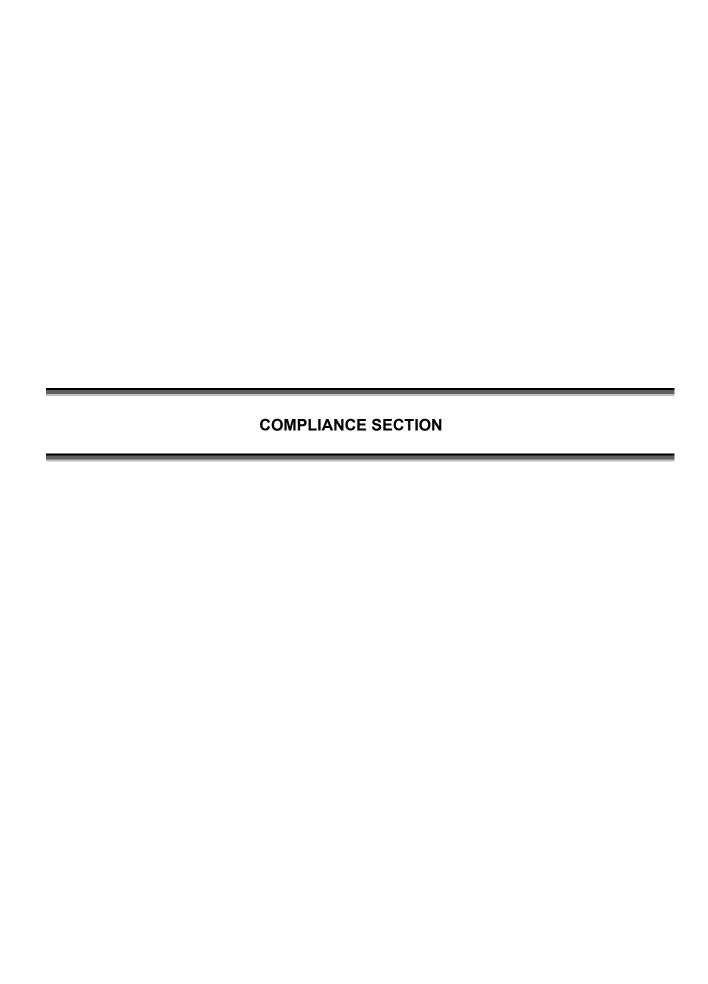

The Foundation has recorded an in-kind contribution and rent expense of \$148,704 and 140,976 for the use of the facilities under the lease agreement for the year ended December 31, 2019 and 2018, respectively. This amount approximates the fair market value of rent expense.

#### **NOTE 10 – SUBSEQUENT EVENTS**

Management evaluated subsequent events from January 1, 2020 through June 30, 2020, the date the financial statements were available to be published.

In December 2019, COVID-19 emerged and has spread around the world, resulting in business and social disruption. The coronavirus was declared a Public Health Emergency of International Concern by the World Health Organization of January 30, 2020 and subsequently a Pandemic on March 9, 2020. In addition, on March 13, 2020 the President of the United States proclaimed the COVID-19 outbreak to be a National Emergency.

The operations and business results of the Foundation could be significantly adversely affected. The extent to which the coronavirus may impact the business activity of the Foundation will depend on future developments, which are highly uncertain and cannot be predicted, including new information which may emerge concerning the severity of the coronavirus and the results of the actions required to contain the coronavirus or treat its impact, among others. The specific financial impact to the Foundation is not readily determinable as of the date of these financial statements. The Foundation's Board and Management, however, have taken certain steps and have plans in place to continue services in light of the current economic uncertainty and are optimistic about the future of the Foundation despite the challenges presented by the COVID-19 Pandemic. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

# INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROLS OVER FINANCIAL REPORTING AND COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of The Sundari Foundation, Inc. and Affiliates (D.B.A. The Lotus House Women's Shelter) (a nonprofit organization) Miami, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of The Sundari Foundation, Inc. and Affiliates (D.B.A. The Lotus House Women's Shelter), Inc. (the "Foundation"), which comprise the statement of financial position as of December 31, 2019, and the related statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 30, 2020.

#### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Foundation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Foundation's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Foundation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR ITS MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors and Management of The Sundari Foundation, Inc. and Affiliates (D.B.A. The Lotus House Women's Shelter) (a nonprofit organization) Miami, Florida

#### Report on Compliance for Its Major Federal Program

We have audited The Sundari Foundation, Inc. and Affiliates' (D.B.A The Lotus House Women's Shelter) (the "Foundation") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the Foundation's major federal program for the year ended December 31, 2019. The Foundation's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### Auditors' Responsibility

Our responsibility is to express an opinion on compliance for the Foundation's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Foundation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the Foundation's major federal program. However, our audit does not provide a legal determination of the Foundation's compliance.

#### **Opinion on Its Major Federal Program**

In our opinion, the Foundation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2019.

#### **Report on Internal Control Over Compliance**

Management of the Foundation is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Foundation's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control over compliance.

#### **Report on Internal Control Over Compliance (Continued)**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Purpose of this Report**

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
